## Farm Information

**Country:** Kenya  
**Region:** Nyeri District  
**Altitude:** 1.600 - 1.700 masl  
**Farm:** Gikanda Farmers' Cooperative Society  
**Washing Station:** Ndaro-Ini

The Santo André farm produces specialty coffees for more than 30 years in the Cerrado Mineiro region, at 1.250 meters of altitude. At each harvest a thorough selection of grains is made, with the application of an efficient process of maturation and preparation, so that only the best of each lot are offered to buyers who value the quality and the outstanding origin of this unique terroir. Formed by the entrepreneur Lincoln Ferreira, Fazenda Santo André is now managed by Dimap S/A, a company of the 2nd generation of the family, which continues the success story of its founder, maintaining the tradition of offering to the market a special and high product Value added.
