Colombia
Frutos Rojos Castillo

InterAmerican COFFEE

Farm Information

Country: Colombia

Region: Piendamo, Cauca

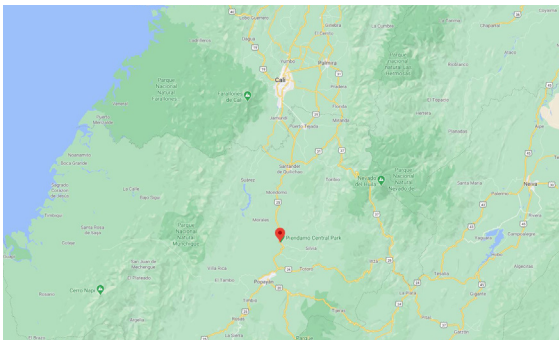
Altitude: 1.960 masl

Farm: El Paraiso

Owner: Samuel Bermudez

Farm Size: 2.5 ha

Samuel has been testing several types of procedures and coffees with his family in order to obtain the “Frutos Rojos” avor. He keeps the details con dential but claims that the right harvesting as well as anaerobic fermentation taken in both cherry and after depulping, and a special long drying done by using their own developed electric dryer will make the “Frutos Rojos” notes so distinct. Samuel has been able to receive more than 10 awards of different Specialty Coffee Associations and companies so far, being recognized as a producer of highly interesting and exotic coffees.



Coffees

This coffee has a creamy body, a high sweetness supported by the acidity and flavors of peach, cream and candy.

Peach | Cream | Candy

Varieties: Castillo

Processing: anaerobic, fermentation, special long drying
