Bombay Burmah's Coffee Plantations, known as the Elkhill Group, consists of eight estates situated around the town Sidapur in the district of Kodagu (Coorg) in Karnataka State, South India. Kodagu is a hilly plateau bounded on the west and south by the Western Ghats. Our coffees are cultivated and processed with utmost care in order to achieve the best quality of coffee. Elkhill Estates is certified by UTZ and RFA and the coffee is grown under the beautiful canopy of shade from the local jungle tree species. Environment protection is our priority and we do not disturb the natural plant and tree species and our estate is home to a variety of birds, reptile and other species. Elkhill estates is compliant to the current standard of the sustainable agriculture network SAN of coffee and pepper production. Our group promotes the ideals of conservations and social well being basic to sustainable development. Our aim is to consistently improve quality produce the finest cup Elkhill has separate wet mill processing units of Robusta and Arabica and our own 2 MT curing unit with the state-of-the-art Brazilian machinery where we process all our coffees.
