Information on our Fairtrade Certification

Dear Sir or Madam,

we would like to share an organizational update related to our Fairtrade certification: **InterAmerican Coffee GmbH** is now part of a joint group certification within the Neumann Kaffee Gruppe, together with our affiliate company **Bernhard Rothfos GmbH**.

Under the group certification, a separate certificate will no longer be issued for **InterAmerican Coffee GmbH**. Instead, a joint certificate will be provided, listing both **InterAmerican Coffee GmbH** (page 5) and **Bernhard Rothfos GmbH**.

This organizational change does not affect the trade of Fairtrade-certified products. Our Fairtrade ID (**FLO ID 1246**) remains unchanged, and we continue to fully comply with all requirements of the Fairtrade Standard.

We have posted the current certificate on our website and would like to proactively bring this to your attention to avoid any confusion when reviewing the document.

Should you have any questions regarding this matter, please do not hesitate to contact us.

With kind regards

InterAmerican Coffee GmbH
